**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a satisfied customer of SONIC. They have a far better tech support than my previous carrier ATT. I like that they provide good service at a reasonable price. Since joining them my service has gone from DSL to Broadband which I appreciate.

I would hate to have that disappear and be forced to choose between one or two large companies that have no incentive to provide what Sonic does for me everyday.

Please do not change the regulations that allow companies like Sonic to continue service.

Thank you,

Maurice Blaug
